A Warm Welcome

Recently joined Member Rialto Lounge hosts Chamber's Business Networking Breakfast

The very successful official launch of Rialto Lounge on 25th June was followed by an equally well-attended Business Networking Breakfast on 14th July, when owner Kiri and his team welcomed over 30 Members and guests to a sumptuous buffet breakfast and beverages.

Leatherhead Chamber welcomed Simon Matthews, Director at Matthews Associates (UK) Limited and Transform Leatherhead Consultant who, together with Sandra Grant of MVDC and Councillor Howard Jones, followed the breakfast with a presentation and update of the Transform Leatherhead masterplanning process. A lively Q&A session then gave everyone an opportunity to put forward their ideas and voice any concerns. This formed an important part of the TL public consultation process.

The event was organised for MVDC by Chamber Director Dick Jones, in association with the FSB. Dick feels that it is important to maintain dialogue with the council through Transform. Whatever the views of the Chamber and its Members, this ongoing consultation process will ensure that the council takes into account the direct interests of residents, business owners and landlords. The views expressed were very diverse on the day, and are important in any subsequent planning process.

The occasion also allowed plenty of time for introductions and networking to round-off a very successful and enjoyable breakfast gathering.
