UPCOMING EVENTS

Dates for Your Diary

Saturday 31st October from 3.00pm to 6.00pm
Halloween Entertainment Town Centre, Leatherhead
Leatherhead Town Management and the Swan Shopping Centre are once again working together on this year's Halloween events, which will provide fun for all the family. This year sees the return of the train rides, Animazing's creepy crawlies, Voofoo the scary skeleton stilt walkers and the fancy dress competition. Alongside these there will be aliens, Mr Pumpkin Head and the usual selection of games including 'Yucky Dip'.
FREE parking from 3pm

Wednesday 11th November from 10.00am to 4.00pm
Expo South East Epsom Downs Racecourse Epsom Downs KT18 5LQ
After our Expo London South event last year we're returning to Epsom Downs Racecourse for a fantastic day of seminars, workshops, exhibitors and networking.

Book a **FREE ticket TODAY**

Wednesday 18th November from 7.00pm to 10.30pm
Leatherhead Quiz Night The Old Chapel, St John's School, Epsom Road Leatherhead KT22 8SP
Please join us for this ever-popular annual Quiz Night in aid of the Leatherhead Christmas Lights Fund. The evening includes a Fish & Chip Supper and a Prize Raffle, and there will be a cash bar for the purchase of wines, beers, soft drinks, tea and coffee. Please indicate your choice of Fish, Chicken, Vegetarian Burger or Spring Roll for each person on the booking form.

Teams of 6 are invited from companies and groups, and individuals may form or join groups on the night.

Please click [HERE](#) for full information and to Book.

Tuesday 24th November from 7.30am to 9.45am
Networking Breakfast Rialto Lounge 24 High Street Leatherhead KT22 8AN
The Leatherhead & District Chamber of Commerce, in conjunction with The Federation of Small Businesses, invites you to a networking breakfast.

This is a follow-up presentation by Transform Leatherhead and, as the research reaches its conclusion, this could give an important insight into developments by highlighting proposed options by our Masterplanners, including key areas such as the River Mole and retail opportunities.

There will be presentations by Consultant Simon Matthews of Coast to Capital, Paul Brooks of Mole Valley District Council and Communications Consultant Colin Mills - and there will be a chance to table questions.

Please click [HERE](#) for full information and to Book.

Tweak Marketing Ltd

Women in Business

Tweak has been very busy during the last few months, having taken-on many new clients from start-ups to large corporates, whilst securing a brand new partnership with a global enterprise team: WEConnect International.

We were delighted to be introduced and certified by WEConnect International, who help women-owned businesses succeed in global value chains; ones that have not traditionally embraced diversity.

It's been 20 years since Louise, Tweak's founder, got involved in WIIT (Women In IT), back in the dot-com heyday - visiting colleges to encourage girls to consider non-stereotype careers.

Five years after Tweak being formed, we've discovered that women in prominent roles are still in a minority. Despite women making up 70% of the workforce, they only represent 10% of the income, and only 1% of corporate spend comes from women-run businesses.

WEConnect International and Tweak share a vision of a world in which women have the same opportunity as their male counterparts, to design and implement business solutions that create wealth and ensure the sustainable prosperity of their communities.

And after only a few weeks as a member, the Tweak team really values the support it is getting from like-minded women and enlightened companies like Accenture and IBM who are focused on empowering women around the world.

At Tweak, we deliver better results to our clients because we embrace diversity and creativity - which is reflected in the brands, marketing campaigns, websites, and videos we produce.

It's time to ask ourselves: 'Are we open-minded enough? Are we pushing the boundaries of business forward?' If not, then it may be worth trying it and discovering that the softer values of inclusion and flexibility bring better results. In this flexible, mobile, world, those companies which embrace diverse thinking will attract the talent.

Tweak is a marketing agency based on Highlands Farm in Leatherhead. Specialising in digital marketing, Tweak works alongside local companies both small and large, including Cycleworks and Staffcare, to create intelligent marketing campaigns and strategies. Using industry-leading tools and procedures, Tweak deliver amazing results at a fraction of the cost when compared to London-based agencies.

Want to add more power to your marketing? Contact Tweak now for your FREE consultancy session - simply quote "WeConnect Offer"

Offer available until 31st December 2015

To view the WeConnect Offer Poster on the Chamber's website, please click [HERE](#).

Class Networks

Delivering Network & ICT Solutions

Founded in 1989, Class Networks are Communication & ICT specialists. Over the last 25 years we have built a business that combines technical expertise with customer service to deliver Network & ICT solutions that your organisation can trust, increasing productivity and reducing costs.

Today, we have over 1100 customers in both the Commercial and Voluntary sector and are the only approved network supplier to the National Councils of Voluntary Organisations in England, Scotland and Wales.

Like many organisations, you may well be approaching the next curve in your ICT lifecycle with current systems and connectivity beginning to creak and the demand for mobility and applications on the up. Deciding which way to go could be the decisive factor in securing your competitive advantage and future.

Put simply, Class Networks will help transform your ICT into a strategic asset, solving business challenges and improving your bottom line.

Many customers today benefit from our Class Unity & Class Connect managed communication solutions that combine voice, data, video, messaging, conferencing & presence into a single integrated service across wired & wireless networks.
