The Old Chapel

Speed Networking has always proved popular in the past, but not everyone can come to breakfast!

So the events team has decided to organise speed networking on a quarterly basis in future, but at different times of day. Our first lunchtime speed networking event will be at The Old Chapel - a popular location.

It's well worth preparing what you want to say, so that you can get your message across in one minute before moving on to the next person to speak to!

Don't forget to bring a lot more business cards than usual - and if you have a Pop Up Banner please do bring it along!
