CLAIRE HOUSE & JAMES HOUSE REDEVELOPMENT

As part of Transform Leatherhead we anticipate submitting an outline planning application for the redevelopment of these properties later this year.

We propose to replace Claire House and James House with a new residential development of significant, high quality design featuring a café on the ground floor and we have developed some initial concepts for the first element of the Riverside Park.

Come and meet us at one of our public exhibitions to find out more, discuss with the team and share your views.

From **Monday 16 July 2018** you can also review the plans online and submit your comments at:
